

## **ACKNOWLEDGEMENTS**

This project was funded by an ACMP Coastal Nonpoint Source Pollution (Section 6217) Grant through the Alaska Clean Water Actions (ACWA) Program, with in-kind contributions by the Alaska Department of Natural Resources, Division of Forestry; the Tanana Chiefs Conference, Forestry Program; the Alaska Department of Natural Resources, Office of Habitat Management and Permitting; Cook Inlet Keeper; and the Northern Alaska Environmental Center. We thank the following people for reviewing draft versions of this bibliography: Martha Welbourn Freeman, Doug Hanson, Jeff Davis, Sue Mauger, Nancy Fresco, Bruce Johnson, James Durst, and Doug Martin.
